By Kewl Clown Sandi Masori and her special guests have once again put together a fun and useful resource for balloon artists. The instructions are detailed enough for the novice to follow and more advanced balloon twisters will be able to quickly figure most out from just the pictures. There are even companion videos. This book is pretty much idiot proof! The book starts with basics and quickly progresses. By the time the reader has made it to the end they will be making some large and colorful creations and likely get many ideas for their own unique balloon hats. One nice surprise is that there are a few bonus sculptures that are not hats. Some of the bonus balloons are a big sword, a working crossbow, and a butterfly costume. Bottom line: get this book. Just one or two designs will pay for this book in just a short amount of time. This will be a resource that you will come back to again and again.

The fireworks hat is great and the birthday cake hat, wow! The other great thing about the book is the complimentary video tutorials as well. And you don't have to be an expert twister to do a lot of these balloon hats a little practice and you've got it! Sandi even adds a few non hats too like swords, a shield and more. I definitely recommend this balloon hat book, if you twist balloons for fun your friends and family will love it! If you're a professional these balloon hats are great for parties and line work, hats are always a great way to advertise!!! This is a great addition to your balloon book library!!!!

The DIY Balloon Hat Bible features more than 40 awesome balloon hat designs. Each of these designs is guaranteed to be a hit with kids and adults alike. At the end of each "recipe" there is also a link to view the video, so whether you learn by reading, or watching, we've got you covered. The designs in this book have been tested over many years and have been kid approved! They range from simple 2- balloon designs to multi- balloon masterpieces. Author Sandi Masori, CBA is a 20 year veteran of the balloon industry, and has been dubbed "America's Top Balloon Expert" by the media, having made over 57 TV appearances on local and national TV, including on The Today Show and Hallmark channel's Home And Family Show. She's also the author of 3 other best- selling books on balloons, (The DIY Balloon Bible For All Seasons, The Event Planners Essential Guide To Balloons, and The Ultimate Guide To Inflating Your Tradeshow Profits... With BALLOONS!) Sandi was the first female balloon artist to put out an instructional video for the balloon twisting industry, back in 2001- when videos were shot in beta and released on VHS. These days she puts out videos on You Tube and has been accepted to You Tube Space to make her videos there. She's delighted audiences all over the world, and is highly sought after in her home market. These days she spends her time writing books, making videos, and hanging out with her kids, who she calls her "two best creations".
