**Franklin Beech : The Dyeing of Cotton Fabrics: A Practical Handbook for the Dyer and Student** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dyeing of Cotton Fabrics: A Practical Handbook for the Dyer and Student:

1 of 1 people found the following review helpful. dye technical infoBy CrystalExcellent book for dyers who want to know more about the chemistry and technical aspect of dyeing and what is actually happening in the various dyepots. I bought it as an addition to my already extensive dyeing library.2 of 2 people found the following review helpful. Reprint of a 1901 bookBy annonemooseDyes have progressed so far in the past 100 years it's a waste of money for today's dyer. If you are interested just do a search and check it out for free in e-book form before you order.
