Jan Eaton : The Encyclopedia Of Crochet Techniques: A Step-by-Step Guide to Creating Unique Fashions and Accessories before purchasing it in order to gage whether or not it would be worth my time, and all praised The Encyclopedia Of Crochet Techniques: A Step-by-Step Guide to Creating Unique Fashions and Accessories:

1 of 1 people found the following review helpful. Encyclopedia of CrochetBy collieboyMy wife bought 2 extra copies of this book to give to family members who wanted to learn to crochet. She chose this book because it has been so beneficial to her in learning different techniques and patterns. The detailed pictures and instructions are easy to follow and include some great projects and practice pieces. Finding it on made it cost effective to purchase several for less than the price of one in a retail store... including shipping handling.0 of 0 people found the following review helpful. Another good book.By MaggieThere is always something new to find. Love this book and can't wait to make some of the projects such as the striped purse. A book by Jan Eaton is good book.0 of 0 people found the following review helpful. diagramsBy Unknown sue GeigerLove the new books with diagrams, it is so much easier for me to make a project with them rather than just reading the pattern. You get to visualize the project before you start, This book does this very well. I won't even buy anymore crochet books any more without them. Keep up the good work!!!!!!!!!!

The latest addition to our best-selling Encyclopedia of Art series (more than 300,000 copies sold!) focuses on the

wonderful textures of crochet. All the essential tools and techniques are clearly explained in more than 400 diagrams and photographs, making it an invaluable guide for both beginners and the more experienced crafters. Readers will discover new twists on the basics, and learn how to create complex-looking stitches, openwork and lace, multicolored patterns, shaped motifs, Afghan squares, and much more. A 16-page gallery in the back of the book features a wide range of crochet items from designers around the world, a perfect section to inspire creativity.

About the AuthorJan Eaton is a professional needlecraft and textiles designer who has written over a dozen craft books.
