I was looking for dyeing of yarn and fiber with acid dyes. For the natural dyer or the dyer of fabric, this would be a great book. I'm going to keep it in my dyeing library because one day, I may use it.0 of 1 people found the following review helpful. Five StarsBy DORIEExcellent product, excellent packaging.3 of 6 people found the following review helpful. Served its purpose.By jlauMy son was doing a research paper on dyes and different fibers so this book provided him with lots of information. It was simple to understand and the layout kept him interested.

The Fabric and Yarn Dyer's Handbook is for anyone who wants to create a unique textile or yarn to use in quilting,

home furnishings, embroidery, knitting or crochet.
