just about every knot in the book using some paracord that I got him. He really really loved the book and the whole family got interested in what he was doing. 0 of 0 people found the following review helpful. It is the Knot you need not figure out. By Mick Easy to follow. I pick a few and practice until I get them right. 0 of 0 people found the following review helpful. Great Book O' Knots By Jay Great book. Plan to keep this handy while hiking/camping.
