This is a delightful book full of fun activities that promote creativityBy SaibThis is a delightful book full of fun activities that promote creativity. These are not special event type of activities; but ones that can be done with everyday type materials and easily worked into a child's play. I especially liked the age appropriate birthday party plans - always a challenge for me. My grandboys (age 2 1/2 5) love this book and it allows me to keep things fresh and vary their play when I am watching them.3 of 3 people found the following review helpful. Good for summertime blues with kids!By Fran BolteI found this book at the Perot Museum in Dallas,

Texas but wanted a better price. Got it here on for my daughter and my two grandsons. They are 6 years apart so needed a book to cover all the age groups. My daughter was delighted and they have already been doing some of the activities. 1 of 1 people found the following review helpful. Great Resource for Parents, Teachers Camp Counselors By Fran46I gave this book to the elementary schools my grands attend. The teachers were very appreciative for such great ideas as everyone winds down the school year. I would also recommend this book to camp counselors, playground supervisors, and to anyone else who wants fun activities for ages 6-12.

Winner of the 2015 Parent's Choice Award The perfect starting point for creative play, this is the ultimate book of ideas for arts and crafts, building and tinkering, writing and rhyming, singing and dancing, and more! For parents who don't feel they are creative, this book provides an easy entry point for raising creative kids. Creativity is an essential ingredient for a happy childhood, and this is the ultimate collection of ideas for arts and crafts, building and tinkering, writing and rhyming, singing and dancing, and more! With 500 unplugged, hands-on activities for children ages two to twelve, this book goes beyond the simple arts and crafts found in most kids creativity books and offers fun ideas for a generous range of imaginative and creative play all in one giant book. You have the power to encourage creativity in your child's daily life, whether you feel creative yourself or not. This book is your guide for being a creativity mentor, your handbook for raising kids rich with creative habits and skills, and your toolbox full of ideas and activities. So say YES to creativity! Encourage your child to dabble in all kinds of activities, and discover the magic and beauty of imagination.

"Parents today need a very special kind of help. They want their children to spend time on things other than technology. But what can they suggest as an alternative? Bobbi Conner's latest book, *The Giant Book of Creativity for Kids*, provides the answer of what to do instead! It is a parent's perfect go-to guide for ideas that spark creativity and fully engage a child's mind." Jill Stamm, PhD, author of *Bright from the Start* "Don't fret about how children today are spending too much time on electronics and commercially produced toys. Run, don't walk, to get a copy of *The Giant Book of Creativity for Kids*. It is truly an exceptional resource for turning everyday moments into opportunities for family fun, creativity, and memories that last. The ideas are easily and quickly doable even for the busiest parents and are all low to no-cost, but the rewards will be priceless." Ellen Galinsky, author of *Mind in the Making* "Bobbi Conner is sophisticated about developmental, social, cultural, and psychological issues, but she is also just plain fun!" Mary Pipher, PhD, author of the New York Times best seller *Reviving Ophelia* "Bobbi Conner is highly regarded by all of us in the pediatric world committed to providing accurate and useful information to parents." Laura Jana, MD, media spokesperson for the American Academy of Pediatrics "Bobbi Conner understands what parents need to know." Jane Healy, PhD, educational psychologist and author of *Your Child's Growing Mind* A treasure trove of creative ideas, games, songs, and activities for children of all ages. David Elkind, PhD, author of *The Power of Play and Parenting on the Go* About the Author BOBBI CONNER is known for creating high-quality child development and parenting resources--radio programs, podcasts, and books.
