About the Author We are the Hand Knuckle Society: a clandestine organization of individuals who believe in the power of the pound, the significance of the shake, and the supreme holiness of the high five. What a sad, sad world it would be with no waves, no nods, and no hugs. No bumps. No daps. No up-highs. No down-lows. We have spent generations ensuring society isn't left hanging. And we invite you to join us. Knock Knock is an independent maker of clever gifts and books. Our crackerjack in-house team creates humorous nonfiction and specialty journals from the ground up, and we also publish new titles from outside authors, bloggers, and other creative types.
