The book you need for all your multicultural activitiesBy Peggy BaxterWhen I got the book, I didn't know that it would be filled with so much information. I was surprised that the art activities were so thorough and complete. The copy materials, the instructions, and the detailed pictures are

awesome. This book was excellent for my little ones. It is extremely easy to follow. GREAT DEAL!!!

Suitable for ages 3 to 9 years, this book helps children to explore roots, rhythms, and traditions from all corners of the earth while crafting their own art and artefacts. It includes step-by-step instructions for fifty projects including Korhogo Mud Cloth and Wodaabe Mirror Pouch from Africa.
