**Claire Crompton : The Knitter's Bible - Knitted Accessories** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Knitter's Bible - Knitted Accessories:

0 of 0 people found the following review helpful. Great Book! By Customer Great Book with lots of fun patterns to try. 0 of 0 people found the following review helpful. Another happy customer By Bunny This is the best beginners guide to knitting ever! I misplaced my copy and bought this one to replace it. Shipped quickly, clean copy. Excellent transaction. 1 of 1 people found the following review helpful. Helpful book for knitters By A reader I bought this book as a gift, but looked thru it first! Many interesting designs most with good directions and explanations of different stitches and techniques. Written by an English woman so some terms are different for U.S. knitters. The person I gave it too loves it!

This work is a collection of over 30 stylish knitted accessories for all seasons, from gloves and scarves, to hats and

ponchos. Styles vary from silky skinny scarfs, funky brimmed hats and chic city sets to a pretty lace shawl and cute mittens. It takes into account the exciting choice of yarns available to the modern knitter, and focuses on using these to maximum effect. Variation ideas take the projects further, showing different patterns, yarns and styles through detailed photography and colourful artworks. Easy-to-follow techniques ensure great results, whether giving a simple scarf a professional finish, or adding an eyecatching trim to an embellished hat.

About the Author Claire Crompton has worked in the knitting industry for over 15 years. After her Knitwear Design degree she became a pattern designer for major yarn manufacturers and is the author of *The Knitter's Bible*.
