**Margaret Radcliffe : The Knitting Answer Book: Solutions to Every Problem You'll Ever Face; Answers to Every Question You'll Ever Ask** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Knitting Answer Book: Solutions to Every Problem You'll Ever Face; Answers to Every Question You'll Ever Ask:

0 of 0 people found the following review helpful. GREAT BOOK, ESPECIALLY FOR NEW KNITTERS.By

MaryJaneBorrowed it many, many times from the library, then finally bought my own. Used it constantly for a year or so, now I don't need it all the time, but a great reference. Small, so it fits in your knitting bag and you can take it with you. LOTS of well-ordered info. Well made. 4 of 4 people found the following review helpful. Owned it for four years and still use it all the time! By JG Although my knitting skills have improved over the years that I have owned this book, and I am still learning all the time, I still need this book--a lot! I take it on trips with me when I bring my knitting, and bring it with me to knitting groups even if I know expert knitters will be there to help me. I even bring it in my under-the-seat airplane bag when I knit on the plane--it is that indispensable. The small size makes it easy to carry. I like that it is very, very sturdy and the pages aren't flimsy...nor is the binding. Instructions are clear, as are the illustrations. Beginners can use this book as can experienced knitters. It is well organized and I can easily and quickly find the information I need. 0 of 0 people found the following review helpful. Bought it as a gift for my wife, who ... By Walt SBought it as a gift for my wife, who is an intermediate knitter -- she absolutely loves it and says it will answer questions she's had problems getting answer for... (We first saw it at our local Library... and bought it after letting her review the library's copy!)

Every avid knitter has faced this dilemma: deep into a project at midnight, just trying to finish one more row, and, then . . . oh no, a dropped stitch three rows back! Help! If only there was a 24-hour hotline to answer every question a knitter might encounter. Well, now there is, with *The Knitting Answer Book*. The expert authors, Margaret Radcliffe and Edie Eckman, leave no question unanswered, no quandry unaddressed. Each book contains detailed, illustrated answers to literally hundreds of questions, from the common to the more unusual: Are certain needles better for certain yarns? What if I dropped a stitch several rows back? Why do my edges tend to curl up? Can you use a different weight yarn than the pattern calls for? What can I do to keep my yarns from tangling up? Oops, I see my ribbing is way too tight. Now what? Covering the whole range of situations a beginner is likely to face, along with the problems that may arise for those working more advanced patterns, this Answer Book will help knitters and crocheters of all levels. Each book is packaged in a small, take-along trim size, in a friendly-to-use QA format, and belongs in the bag of every knitter. Available 24/7, *The Knitting Answer Book* is always open, ready for yarn lovers to browse and consult to their hearts content.

Absent a live-in grandma or an all-night craft store, it can be hard to get solutions to your knitting and crocheting problems when you need them. That's where *The Knitting Answer Book* comes in. This handy volume addresses myriad issues that can arise in the middle of a needlework project.
