Ken Johnson : The Man Who Watched Batman Vol. 1: An In Depth analysis of Batman: The Animated Series (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man Who Watched Batman Vol. 1: An In Depth analysis of Batman: The Animated Series (Volume 1):

0 of 1 people found the following review helpful. Disappointing.By Buck135I am very disappointed with this book.

The author's reflections on the episodes are based solely on opinion, not fact. The typographical errors are unforgivable (Victor Freis being one of the more egregious mistakes) 6 of 8 people found the following review helpful. Good book, needed to be proof read before being published By rebecca durand Pretty interesting opinions on a great show. Should have been edited for spelling and other errors.

The Man Who Watched Batman is the ultimate companion book to Batman: The Animated Series. Whether you can quote every line or are watching for the very first time, this novel will leave no stone unturned to give you the ultimate BTAS experience. Every single episode, character, plot twist, reinterpretation, melody and metaphor. This academic and critical analysis is unlike anything you'll find on shelves. This isn't just plot summaries or fun facts from the internet. This is a personal, yet professional commentary of the greatest animated show of all time.
