**Richard Merritt, Claire Scully : The Menagerie Postcards** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Menagerie Postcards:

0 of 0 people found the following review helpful. and I really enjoyed coloring the full-sized coloring book featuring these illustrations By Denese S. Wong I received these postcards today and am astounded at their beauty. They are so lovely that I don't even feel the need to color them; I am proud to send them just as they are, with their very attractive color-scheme of black, white, and embellished bronze. (I will in some cases add bright color to the eyes of the animals, though.) I am an avid adult coloring fan, and I really enjoyed coloring the full-sized coloring book featuring these illustrations, "The Menagerie: Animal Portraits to Color," but with the postcards, I think they're perfect as they are! 3

of 3 people found the following review helpful. THESE POSTCARDS ARE AWESOME!!!By ChrisI LOVE THESE POSTCARDS.....AS A MATTER OF FACT.....WITHIN AN HOUR OF ARRIVAL --- I ORDERED THEM AGAIN!!! BEAUTIFULLY EMBELLISHED WITH BRONZE...YOU CAN SIMPLY ADDRESS THEM AND SEND 'AS-IS'...!!!

Menagerie Postcards contains 20 partially foiled postcards featuring incredible artwork from Claire Scully and Richard Merritt. Thanks to the bronze foil, each wonderfully detailed animal portrait is eye-catching whether coloring fans choose to add color or not.

About the AuthorRichard Merritt has been an illustrator for more than 10 years after graduating from Central Saint Martin's college of Art and Kingston University. Richard has worked on everything from children's books and packaging to magazines and costume illustration for film. His intricately detailed illustrations have become a staple of the best-selling Art Therapy series, and has led to television appearances. Claire Scully specializes in graphic illustration with a focus on detailed line work as well as an interesting mix of digital collage. While the overlooked objects of daily life inspire a great deal of Scully's work, she is also very talented at creating intricately detailed animals with sensational zentangles. Claire has collaborated with Adidas, Nokia, Random House, the New York Times, and many more.
