IT WAS JUST WHAT I WAS LOOKING FORBy Karen GillisMy daughter who is now 15 got this as a gift when she was very young,her younger brother got a hold of it and before you knew it was being used in a demoltion project of his, so lets say it got ruined. I was so heartbroken I thought maybe I could get an exact replica by ordering thru . Well I was lucky enough to find the same set of little adorable books. I'm so pleased that I could replenish this lovely set of treasured books. Thank you !!!
