John Alexis : The Minimalist Guide To Prepping: Being Prepared Without Being Obsessed: Prepper Survival Training Just In Case The SHTF Off The Grid, Practical ... Information War, And Apocalypse) (Volume 1)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Minimalist Guide To Prepping: Being Prepared Without Being Obsessed: Prepper Survival Training Just In Case The SHTF Off The Grid, Practical ... Information War, And Apocalypse) (Volume 1):

2 of 2 people found the following review helpful. okayBy MorganI was hoping this book would have more details and prepper info than it did. This book lightly covers the broad topic of prepping and would best be a book for a beginner.0 of 0 people found the following review helpful. One of the BestBy CustomerThis book is the common sense book of prepping. Boy scout be prepared without becoming obsessed with it. Basic information and lots of good tips.0 of 0 people found the following review helpful. Quick guide to the basicsBy Spenser CalderinA quick guide that covers most of the basic ideas in fairly simple and still realistic terms. For someone looking for an introduction to the idea this will suffice. Hard core prospers will find it fairly old hat, however.

Is The End Near? Of course, no one knows the answer to this question. What I do know is there are a few things I want to have just in case. I am not some one who is hoping for an apocalypse, but I am some one who is prepared in case it comes our way. With The Minimalist Guide To Prepping: BeingPrepared Without Being Obsessed I want to teach you what will come in handy in case the SHTF. I dont think that we should spend the last calm days we have obsessing over the being ready for a Doomsday. Ill help you get prepared in just a few hours a week. Ill go over a few things like: What To Have On Hand What to Buy What Not to Buy The Bug Out Bag Skills To Learn Between Now And The Apocalypse Weapons Gold, Silver, And Bartering What To Tell Your Spouse And Children
