**Cecelia Felcher : the Needlepoint Workbook of Traditional Designs** before purchasing it in order to gage whether or not it would be worth my time, and all praised the Needlepoint Workbook of Traditional Designs:

1 of 1 people found the following review helpful. This book is wonderful. It had some techniques I have not seen ...By BethThis book is wonderful. It had some techniques I have not seen before. I have been needlepointing off and on for 40 years. The patterns are easy to follow and best of all, the author shows how to combine them to make your own designs. These patterns will free a needleworker from printed canvases.

Create an unlimited number of original designs by combining 87 repeat geometric patterns from ancient cultures. American Indian, Persian, Yugoslavian, Oriental, Dutch, Turkish, Norwegian, Greek, Mexican and African.
