Some nice projects and good inspiration By Jane in Milwaukee The stitch categories here include Assisi, blackwork, embroidery, hardanger, hemstitch, pattern darning and pulled thread. I have many, many needlework books including stitch dictionaries and encyclopedias and this isn't the best one I own: there are others which cover a single technique such as hardanger; which include many more color pictures; which include many more charts; which have a little better stitch diagrams. However, I really enjoy this book, even though it's not on glossy paper but more grayish cheaper paper, it is inspiring. I keep telling myself I have to make that blackwork chessboard! Consider looking into the following books for additional stitches or to supplement the diagrams here. I still recommend it. Encyclopedia of Embroidery Stitches, Including Crewel (Dover Embroidery, Needlepoint) Stitch Sampler: The Ultimate Visual Dictionary to Over 200 Classic Stitches The Arco Encyclopedia of
