Nice arrangements; but not new stylesBy ConstanceThe book was in good shape, The arrangements in the book are not new styles; they seem to older styles but still had nice arrangements0 of 0 people found the following review helpful. Five StarsBy L.LedzepGreat, clear instructions0 of 0 people found the following review helpful. ExcellentBy DavidVery quick delivery, item exactly as described. There is not a lot of instruction in the book but the photos are well done and with a little imagination of your own you can create beautiful arrangements with your personal touch.

Over the years silk flower makers have introduced subtler colours, lifelike shapes and a wider choice of flowers and

foliage. To celebrate these improvements, this book offers a range of 70 silk flower projects.
