**Denis Ledoux : The Photo Scribe - A Writing Guide: How to Write the Stories Behind Your Photographs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Photo Scribe - A Writing Guide: How to Write the Stories Behind Your Photographs:

2 of 2 people found the following review helpful. Photo Journal Fears Conquered!By hkIf you're afraid of journaling in your scrapbooks because you don't know what to say or how to say it, this well written, easy to understand, book will give you practical tools that make journaling a snap! Highly recommend!2 of 2 people found the following review helpful. Must Have for Photo HistoryBy Jeannine L.Great tips for writing more than just a caption that is name, date and place. The ideas offer ways to bring life to photos.I'm a personal historian and give the book as a door prize at my presentations.1 of 1 people found the following review helpful. Really Great Book!By TheresaHave been trying for years to find a resource to help me write captions and simple narratives for my scrapbooks. I enjoy documenting family history and events. Pretty scrapbook pages are nice, but I wanted something more to help my family keep up and remember the past.

Many of us can speak easily and even fluently about our experiences, but when we are asked to write them down, we suddenly become wordless...

Having been a diligent scrapbooker for over 25 years, I felt that I was already capturing the meaning of the photos in my albums, but The Photo Scribe has inspired me to new levels of photo-journaling. This practical step-by-step guide can enable anyone to discover the depth of her memories. --Rhonda Anderson, co-founder of Creative Memories, providers of products and classes dedicated to photo-safe preservationThe Photo Scribe is an effective way to make sure your pictures will share your precious memories with generations to come. --Michael Benard, Director, Communications and Public Affairs, Vice President, Eastman KodakAbout the AuthorDenis Ledoux has helped tens of thousands of people to preserve their personal and family stories in writing since 1988. Twice a Maine Writing Fellow, he believes the photo album is a natural medium for recording the stories behind the photos. He lives and writes in Maine.
