**Trish Kuffner : The Preschooler's Busy Book : 365 Creative Games Activities to Keep Your 3- to 6- Year-Old Busy!** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Preschooler's Busy Book : 365 Creative Games Activities to Keep Your 3- to 6- Year-Old Busy!:

14 of 14 people found the following review helpful. Not Like DescriptionBy bookworm100I purchased this book to find more activities to do with my toddler. It is mostly cooking receipes. I was very disappointed. Most of the activities mentioned were things you could go to Target and get like water coloring. If you love to cook with your child, this would be a great book for you. If you actually want activities instead of cooking, keep shopping.1 of 1 people found the following review helpful. Five StarsBy AddictThis book will definitely keep the little ones busy.0 of 0 people found the following review helpful. she has several of these out they are great for a quick look fun things to do ...By Maggieshe has several of these out they are great for a quick look fun things to do when needed
