Laura Minter, Tia Williams : The Princess Craft Book: 15 Things a Princess Can't Do Without (Little Button Diaries) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Princess Craft Book: 15 Things a Princess Can't Do Without (Little Button Diaries):

Make crafting dreams come true for anyone who loves princesses and all things sparkly and sequined. Cut, stick, sew, and paint your way into an ice princess's world, from the skirt, gloves and crown that she wears to the castle she lives in and the puppets and snow globe that she plays with. Why not throw an ice princess-style party with the fabulous castle cake and snacks? If your child loves the film Frozen, then they will want to make each and every project

alongside you.
