Henry Heydenryk Jr. : The Right Frame before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Right Frame:

0 of 0 people found the following review helpful. When It Comes To Framing, Heydenryk wrote the book. By Tony This book contains what I haven't seen anywhere, I've checked out other books on the topic of frames. It puts into simple language a very overlooked aspect integral to the work of art itself, which is the frame.

Illustrates the importance of the frame through numerous side-by-side examples and explanations.
