Laura, and Duronsoy, Yves Fronty : The Scented Home before purchasing it in order to gage whether or not it would be worth my time, and all praised The Scented Home:

9 of 9 people found the following review helpful. Beautiful but not practicalBy Jaime HayesThis is a beautifully photographed book on the history of scent, nice, informative text. I was able to find most of the ingredients, such as orris root powder, in bulk at my local health food store, but unless you just enjoy experimenting it's much more economical to buy soap and incense than to make it from these recipes. I made a few things from this book, including the moist potpourri, but none of them really worked for me. Still, it was an interesting read.

Following the succes of A Well Kept Home, Laura Fronty and Yves Duronsoy return to present over 100 French recipes and secrets for scenting the home.

About the Author Laura Fronty is a journalist and stylist. She has worked for numerous interior and lifestyle magazines and is the author of *A Well-Kept Home: Household Traditions and Simple Secrets from a French Grandmother*. Yves Duronsoy is a photographer. He is the coauthor (with Laura Fronty) of *A Well Kept Home: Household Traditions and Simple Secrets from a French Grandmother*.
