Cory Richardson-Lauve : The Scrapbooking Journey: A Hands-on Guide to Spiritual Discovery before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Scrapbooking Journey: A Hands-on Guide to Spiritual Discovery:

9 of 9 people found the following review helpful. Scrapbooking as meditation By Ximena Lobato I'm currently re-reading this book, since it's been such an inspiration for me. I started scrapbooking, like most people, as a fun way to preserve my pictures. But over time I've found that scrapbooking centers me, makes me pause and reflect about the important aspects of my life. Suddenly it isn't so important that I choose the right embellishment or patterned paper. In this book the author expresses, much more eloquently than I ever could, how this hobby can help you discover who you really are, and how it can reveal your purpose in life. The only downside is that it only features a few color layouts; the rest come in black and white and are difficult to see clearly. I really enjoy this book, and I highly

recommend it. 1 of 2 people found the following review helpful. Healing at its best By Creatyvebooks I simply look this book. It has help me through some tough times. Many of the suggestion/activities within this book is a good way to clear you mind or in my case let the tears flow. No only do preserve your memories of love ones but you also make new and better ones. To anybody who is looking into scrapbooking as a hobby or for spiritual awakening I would highly recommend this book to you. 1 of 2 people found the following review helpful. I like the term journey... By Conangrande Excellent book! Lots of great ideas for scrapbooking life experiences on pages with different layouts. The book gives a person a chance to think about questions they may want to answer regarding their life journey, and then to scrapbook using their answers with a variety of ideas of how to do that. Great book!

Take up your scrapbooking in a whole new state of mind and spirit. When I scrapbook, I feel empowered and connected and hopeful. I feel grateful and content and stimulated. In the process of scrapbooking, I feel the closest to my essential self, and to God. from the Introduction In this imaginative, creative resource, award-winning scrapbook designer Cory Richardson-Lauve leads you on a celebration of the divine connection you can experience through scrapbooking. Weaving her own insights, techniques and artwork with the reflections and layouts of other professional scrapbookers and the wisdom of spiritual thinkers, Richardson-Lauve reveals how this innovative and dynamic craft can become a practice used to deepen and shape your life. Each chapter includes an original scrapbooking project with dozens of variations for both cut-and-paste and digital artists, beginning scrapbookers and published designers alike that helps you explore a theme essential to both your designs and your spirituality.

"Absolutely delightful. Captures and expresses the true beauty of scrapbooking through words and images. Prepare to be inspired and empowered. Highest recommendations." -- Ali Edwards, author of A Designer's Eye for Scrapbooking series; creative editor, Creating Keepsakes "Truly inspiring! Filled with timeless information and creative ideas that will bring new depth not only to how you scrapbook but to how you live each day of your life. You need to read this book before you plan another page!" -- Marielen Christensen, originator of the current scrapbooking concept; founder of Keeping Memories Alive and scrapbooks.com About the Author Cory Richardson-Lauve is a scrapbooker, designer, teacher and artist whose layouts have been featured in many idea books, magazines and websites. In 2004 she was a winner in Simple Scrapbooks's Coolest Album Ever Contest; in 2005 she won an Honorable Mention in the Creating Keepsakes's Hall of Fame Contest; she was a featured artist in Simple Scrapbooks "Digital Scrapbooking 4" special issue; and was a member of the creative team for Simple Scrapbooks Digital Scrapbooking Magazine in 2007. For more information and further reading, visit her website at www.thescrapbookingjourney.com. Stacy Julian is founding editor of Simple Scrapbooks magazine, and a well-traveled teacher and lecturer who delights in spreading the scrapbooking gospel. Her most recent book, The Big Picture: Scrapbook Your Life and a Whole Lot More, was the impetus behind the launch of Big Picture Scrapbooking (www.bigpicturescrapbooking.com), the first website dedicated to online education in scrapbooking. Stacy and her husband, Geoff, live in Spokane, Washington, where they are celebrating the recent addition of a daughter, after four boys!
