From Brand: Running Press Miniature Editions : The Secrets Of Joy: A Treasury Of Wisdom (Miniature Editions) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Secrets Of Joy: A Treasury Of Wisdom (Miniature Editions):

3 of 3 people found the following review helpful. Sage Advice on Pages NiceBy Untold JoyIf you ever have trouble shaking a rotten attitude, a sour mood or a grudge, pull this handy, miniature book out of your pocket and ponder just one of the ingeniously composed statements or musings about joy. You should be cured shortly. The theme of the book is the grounding, yet liberating, truth that joy can be chosen. It need not be elusive, though while we believe that our present unhappiness is the fault of someone or something else, it will certainly remain so.The individual minds gathered here (many of whom most moderately-well-read people will recognize) make the point, one after the other, each in his/her own style, and each from his/her own perspective. This lends weight to the evidence, the testimony coming from so many witnesses.Intermittent illustrations are bright, and styled so as to appear spontaneously created to match the feeling of the text they represent, but probably were well thought out, since besides depicting the text,

they also complement it. The binding is strong, and the pages, glossy. I've had my copy for at least fourteen years, and it still works great! In fact, it looks almost new. This is a lot of good book for a little five bucks. 0 of 0 people found the following review helpful. Miniature book. By Hzleyes48 I collect miniature books. Glad to add this one to my collection. 0 of 1 people found the following review helpful. smiling By TRUEMc1R the book is fine but i collect the sun. the cover is a child in moderate on a bicycle which i do not collect. i gave it away

What is joy? Where can we find it, and how can we share it? Is it a gratifying sense of personal fulfillment, or an intense passion? An extended feeling of harmony, or merely a moment of peace? Here is a treasury of insights from some of the world's greatest writers, artists, thinkers, and leaders. These voices from throughout the centuries explain what joy means to them and what they have learned about giving their happiness to others. Full of thought-provoking wisdom, these quotations are guideposts on our individual journeys toward happiness and fulfillment.
