The price is good for an intrinsic design. It would be nice in bright fabrics or the traditional neutral. Or do as I do just look at the pictures and enjoy the craftsmanship.0 of 0 people found the following review helpful. A delight to read and see her wonderful blocksBy LindaA delight to read and see her wonderful blocks. Her use of taupe fabrics are so soothing and sent me on a shopping spree to find similar fabrics.Her instructions are clear and precise. I recommend this book to anyone who would like to try this method.1 of 1 people

The Sewing Room Sampler combines two of Yoko Saito's favorites: blocks featuring traditional quilting motifs, such as stars and houses, plus one-of-a-kind sewing-themed applique designs. You can use the block and applique designs individually, or combine to create this quilting masterpiece. This quilt makes the perfect decoration for a sewing room or home of a fellow quilter. Step-by-step color instructions illustrate how to piece the 16 blocks together and assemble the quilt. Full-size templates of the applique motifs are included on pattern sheets.

About the AuthorAs one of Japan's leading quilt artists, Yoko Saito is known for her precise needlework and signature style involving a taupe color palette. She designs her own fabric lines and is the author of multiple books in Japan, the United States and around the world.
