Year after year, readers flock to this yuletide favorite for new ways to ring in the true Spirit of Christmas. Luminous photography and clear, concise directions capture the wonder and excitement of the holidays with jolly ideas for entertaining, cooking, decorating, and gift-giving. This years glad tidings even include a variety of low-carb holiday recipes! Decorating themes include a retro Christmas (think sparkly aluminum); richly embellished "Olde World"

jewel-tones; and new approaches to time-honored favorites from traditional to contemporary.
