Bought this book, arrived in perfect condition long before the estimated time. A splendid book for anyone who would like to try to do their own decorative eggs. Very helpful for a total beginner who cannot get to go to decorating classes. Photos and explained drawings very easy to follow. Will definitely recommend it. Although one can get a gadget to mark the half of the egg, the explanation to mark your cutting lines are very helpful and the drawings explain it step by step. Wilna Riekert South Africa
