Linda Oliveira : Therapy with Sharp Edges presents... Group Therapy: Stained Glass projects (Volume 3)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Therapy with Sharp Edges presents... Group Therapy: Stained Glass projects (Volume 3):

7 Great stained glass projects suitable for groups or artists working alone. Projects range in skill from novice to experienced making it perfect for groups or the individual wanting to try increasingly challenging projects. Each step

is clearly written, with color photographs depicting many of the critical steps for each project.
